History of The Homeopathic Medical College of Pennsylvania 1898 by Bradford

Naomi Rogers, An Alternative Path: The Making and Remaking of Hahnemann Medical College and Hospital of Philadelphia 1998 Rutgers
Brief history of institution during CW with specific archival references.
Set up a hospital on Cuthbert Street to treat military personnel who wanted homeopathic medicine. Ultimately not used a lot because of US Military would not refer there while soldiers in service. They only could go there once discharged, located at 1118 Cuthbert Street. Formed Ladies Association to raise money for effort. During the war the hospital struggled to make ends meet and to meet the demand for services military and civilian.

Front cover of the Twentieth Anniversary Announcement of the Homeopathic Medical College of Pennsylvania Session 1867-68 is image of college during CW.

Photographs

1. Rufus Benjamin Weaver 1898 photo of him with his dissection of a complete nervous system. CW-relationship is that as a young medical student, he grew up on a farm near Gettysburg overlooking the battlefield, he knew where Confederate soldiers buried in shallow graves—he exhumed many and returned their remains to their home states.
Notes to file: Rufus Sargent 1824-1886 a 1852 graduate worked as a military surgeon 1862-65. Lewis Henry Willard 1838-1906 attended college lectures from 1861-62 and then became a hospital cadet served at Satterlee. Benjamin Barr an 1855 graduate served as surgeon in chief of an army corps at Lee’s surrender. Have images of Sargent and Willard.

**Documentary**

Minutes of the Board of Managers 1861, 62 discuss college’s difficulties during war and need to close for a period. Female Medical College’s founder’s fervent anti-slavery positions may have attracted more hostility than donations in early years. Ann Preston for example came from a Chester County family active in anti-slavery activity. Preston’s comments on the closing of the college during the war are in the Preston papers in a printed pamphlet “Address in Memory of Ann Preston, M.D.”

Passport issued Dr. Anne M. Smith permitting her to pass between northern and southern armies during CW attended MCP after the war but did not graduate from MCP.

Eliza G. Plummer nursing at Union Vol. Ref Saloon and on July August 1863 engaged in nursing wounded from Gettysburg. Who crowded the facility as they made their way to hospitals further north. Image of Mary Wade p.737. Margaret Boyer native of Philadelphia lost her health because of her care taking exertions after Gettysburg and from Grant’s campaign.

Miss Cornelia Hancock nursed at Satterlee focused efforts on providing food and attention. Among the first to arrive at Gettysburg to help wounded.
Dorothea Dix became superintendent of all nurses at US Military Hospitals. She was not well liked by some surgeons who only wanted Sisters of Charity (eg Satterlee) October 29, 1863 She assumed control over all nurses at military hospitals. Anna Maria Ross worked at Cooper Shop Hospital as Lady Principal of institution-she did everything—she died as a result of her overwork on behalf of soldiers. Worked to raise funds for a permanent Soldiers Home which was dedicated to her..she died Dec 22, 1863 buried at Monument with inscription—...the friendless child, fugitive slave, victim of intemperance were the objects of her tender solicitude. Her father William Ross and mother Mary Root of Chester County. Woman Branch of Sanitary Commission organized at Academy of Music. Mrs Grier first president. 1307 Chestnut location of first warehouse. Women’s Commission focused on assisting families of soldiers. They got women to make clothes and food items to give to those requiring assistance-then they paid widows to do some of the work and then as need mounted they paid 830 women already employed to make clothes to work for them as volunteer labor could not meet the need. Provided 1,129 a total of 59,723 items Of which 21,174 made by paid contractors, 37,915 by volunteers—cited 1,129 articles made for freedmen Need to revisit these numbers. Also provided 400 tons of coal for families of soldiers.
